Conduct and dress code:

As an arm of the church our schools and our schoolteachers will model its faith and practice.

This program is designed to best serve those able to attend all day for the entire event. Please communicate with the administration if you are unable to attend the full program or require leave during the program.

Full cooperation with the administration is essential. We ask that you come prepared to be supportive of formal dress standards normal for regular worship services. For the brethren, we require plain dress shirts and dress pants with a modest fit. During all formal class time, buttoned collars and sleeves are standard. For the sisters, we require dresses and sweaters to be of modest fit. All footwear shall be in the dress category.

We seek an atmosphere of dignity throughout the week. May our gathering together be worthy of the Lord adding His blessing to its details.
